

○ Useful Grammar:

We write the Past Simple adding '-ed' to the verb:

- call → called
- *Did* is used to form negative sentences and questions.

Be careful! There some irregular verbs such as:

- to be → was, were
- to have → had
- to see → saw
- to find → found

○ Examples:

- When I **was** I child, I **wanted** to be a singer star.
- **Did** you **enjoy** the film?
No, I **didn't**.
