Example

Conversation between student A and student B

A: "My favorite movie came out in 1997. It has many famous actors like Leonardo DiCapprio. It was about a famous boat that sank on its first voyage, it was also about a love story between the two main characters...i think the man was named jack and the woman was named rose. It was a very good movie and won many awards..."

B: "Is your favorite movie the Godfather?"

A: "No, that movie came out a long time ago, my favorite movie was also directed by James Cameron. Also, the main character in the movie says I'm King of the World!"

B:"oh! Your favorite movie is Titanic!"

A: "yes"
