

## WILL AND WON'T 1

**Task:** Fill the gaps with the most suitable option (*Will there be...? / Won't there be / There'll be... / There won't be...*)

MR WILSON: How many people **will there be** at the party?

JULIE: Oh, **there'll be** about 15, I expect.

MR WILSON: What **will there be** to eat? No hot dogs, I hope! They make a mess.

JULIE: No, Dad, **there won't be** any hot dogs. **There'll be** hamburgers.

MRS WILSON: I'm worried about the neighbours . **Won't there be** too much noise?

STEPHEN: Well, **there'll be** a bit of noise, but **there won't be** too much.
